Face Pad

- Use crayons or markers to create a variety of faces. Hint: make your family and friends!
- Design hats, bow ties, earrings and hair accessories with scraps of paper.
- Add yarn or strips of felt for hair.
- Attach a craft stick to the back of your face and it's a puppet! Hint: to make your puppet more stable glue it to a piece of posterboard or cardboard.
- Cover the front of an "All About Me" book with a decorated face that looks like you!
- See how many different feelings and emotions you can show with your faces.
- Decorate a face and put on the front of a handmade greeting cards, party invitation or thank you note.
- Create a body for your face using paper and fabric scraps, ribbons, yarn, crayons, markers, buttons and fabric design paper.
- Make an "Our Classroom Family" bulletin board at school.
